

Oh, the Places You'll

Rewritten by Jessica Herbert

Stand

Congratulations!

Today is your day.

You'll stand in great places!

You'll stand there all day!

Stand!

You have love in your heart.

You have super cute shoes.

You've kept in your head

Young Women values.

You're not on your own. No matter the land.

With Christ in your heart you know right where you stand.

You'll face some big CHOICES. ACCOUNT them with care.

About some you will say, "I don't choose to stand there."

With your heart full of love, those cute shoes full of feet

Make sure your account of those choices is sweet.

And when you're in a place

Where standings no good.

You'll find a new spot

You'll know that you should.

This is His great plan.

So search hard as you can.

Stand!

Out there blessings happen
And blessedly do
To people as lovely
And valued as you.

And when Satan attempts
To start tempting you.
Stand firm in good places
With Young Women Values!

OH!
THE PLACES YOU'LL STAND!

You'll be on your way up!
You'll be working GOOD WORKS!
You'll fly to those needy
Whose needs you won't shirk.

You won't lag behind, you'll be an example.
You'll lift those you meet and bad feelings you'll trample.
Wherever you fly, you'll work works that are good.
Wherever you go, this will be understood.

Except when you don't
Because, sometimes, you won't.

I just have to warn you.
See we came to Earth.
To learn all about
INDIVIDUAL WORTH.

Do not get all hung up
When you've done something wrong.
You're a child of God.
Special! It says in that song.

You'll make your way through
Cause your NATURES DIVINE.
You'll find your way back,
Stand in places that shine.

DIVINE NATURE can lead
You on paths that you take.
Help step around
All those ways that are fake.

When you use what you've learned the way is not arced.
Your KNOWLEDGE of gospel and scripture is marked.
The place that you stand can raise several eyebrow!
Those windows with darkness? Go share what you know!
To grasp where we're from does your heart not o'erflow?

And IF you go in, should you turn left or right...
When you share your KNOWLEDGE souls fly like a kite!
We want to be sure no ones left behind.
Simple it's not, I'm afraid you will find,
We all have the agency to make our own mind.

People get so confused.
This is but a taste.
Hold onto the rod, keep those fingers laced.
The way can seem bent and your time you shan't waste
When keeping in mind some values most graced.

Then FAITH is placed...

...for those who are standing.

FAITH for a bad to go

Or a cure to come, or a lure to not tow

Or know where we're from, or the trial to stow

Or the phone to ring, or the crazy to slow

Or standing around for a Yes or a No

Or waiting for your crops to grow.

Those with FAITH are standing.

Standing up to fight the fight.

Or standing for a wrong to right.

And more than just on Sunday night

And standing, perhaps, up for all the nerds.

Some spirits shine brighter and greater than words.

So stand up for truth and go take a chance

Perhaps in your scriptures your friends they might glance.

For those who are standing.

STAND!

Where standing is great!

Shout from the rooftops

Your INTEGRITY is staying.

You countenance strong

And will never be fraying.

No confidence lacking

You know what's at stake.

Your honesty's something no one can take.

Personality like yours just can't be a fake!

Oh, the places you'll stand! There is fun to be had!
When you place VIRTUE high you'll always be glad!
And when morals seem to be petty to some.
You'll find your life blissful is what it's become.
Joy! You'll feel joyful as jubilation can be,
And like the whole world should watch your life on TV.

Sometimes you're alone.
But those seeds are sewn.

And by your example
Others will see too.
They can stand in
Great places and feel VIRTUE.

Not Alone!
Whether you're with friends or not,
Your KNOWLEDGE of good things
Will help quite a lot.

Sometimes you will find, there's a very good chance
The place that you're standing scares you out of your pants.
There are some, down the road between hither and yon,
That can scare you so much you won't want to go on.

But on you will stand
With INTERGRITY great.
On you will stand
Your GOOD WORKS hold weight.
On you will stand
FAITH keeps your path straight.
On when your stance
Feels like a scary creek,
Though your legs may get sore
And your cute shoes may leak.

On and on you will stand
Making CHOICES with care.
ACCOUNTING for problems
Whatever they fare.

You won't get mixed up,
These values command
They have you fixed up
As a Young Women who stands.
You'll be sure when you stand.
DIVINE NATURE's a fact.
And remember that Life's
A Great Balancing Act.
And never forget your INDIVIDUAL WORTH.
And never forget why you came to this Earth.

And will you succeed?
Yes! You will, indeed!

You'll stand in Great Places!
Today is your day!
Your whole life is waiting.
So...*get on your way!*
